

Safe Travel Tips for Aboard

1. Photocopy all of your travel documents

- a. Leave a copy of the documents listed below with a family/friend in case you lose something and also keep a copy of your tickets, itineraries, passport, ID and credit cards in a separate area from the original documents to refer to in case you lose them.
 - i. Tickets
 - ii. Itineraries
 - iii. Passport
 - iv. Insurance Policy
 - v. Identification
 - vi. Credit Cards

2. Bring an Adapter so you can stay in touch

- a. Many countries have different size plugs and voltage you want to make sure you can charge your cell phone to stay connected to family/friends back home.
 - i. Send emails/texts
 - ii. Phone calls
 - iii. Facetime and Whatapp can be used for free

3. Research the laws of the country

- a. There are different laws and customs that can differ from North America, especially if you are traveling to a foreign country.

4. Research the Latest Travel Advisories

- a. There may be situations that can affect the safety of you and your co-travellers. (civil unrest, strike or health risks or concerns)
- b. Check out www.travel.gc.ca. For more information on travel and tourism travelling abroad.

5. Know the location of Canadian Embassies & Consulates

- a. Especially if you are going to a foreign country, these offices could help you replace a lost of stolen passport
